## WOMAN to WOMAN

The purpose of the Woman to

Woman Ministry is to uplift Jesus

Christ in and out of the Church

and to support our families,

church, pastor and each other.

Our belief is that all women are

uniquely created and important in

God's kingdom. We believe in

compassion, cooperating, and car-

ing through the power of the Holy

Spirit.

~Teach all women about love

~Reach and work together
  with women of all denominations

~ Teach biblical principals

~Show kindness & compassion

~Learn to bridle the tongue
  and affirm each other in love

Woman to Woman Ministry is designed to:

- encourage and support each other

- reach to all those who need healing

- minister to those in the church

- offer workshops and classes that are relevant for spiritual and relational growth

- encourage support for our spouses, children, pastor and church

- teach women how to stay unspotted from the world

- support each other in our callings and life struggles

- show love one to another

A True Woman

A true woman is
a woman who shares
whatever comes our way;
who helps by thoughtful words and deeds
to brighten up our day;
Who knows the
little heartaches
that lie heavy on the mind,
And tries to ease
the hurt of each
by being extra kind.

A true woman helps
to bring the sun
and take away the rain,
and cheerfully
convinces us our dreams are not in vain...
And if we traveled
far and wide
to where the rainbow ends,
we'd find no greater riches
than the love of
real true friends.
